10 Civ. 6950 (AT) (RWL)

**ORDER**

On March 26, 2020, this Court issued a Decision and Order on Defendants' motion to compel arbitration of certain unnamed plaintiff members of the class, and on Plaintiffs' motion to void arbitration clauses in various agreements pursuant to Fed. R. Civ. P. 23(d). (Dkt. 983 (the "Order").) The Order directed the parties to meet and confer about, and propose to the Court, a form of written notice to be sent to relevant members of the class addressing the subject matter of the Order. Both parties have since indicated their interest in appealing aspects of the Order by filing objections with the Honorable Analisa Torres, U.S.D.J (see Dkt. 988, 990), and have requested guidance on whether the direction to meet and confer and to propose a form of notice should be deferred; Goldman seeks a two-week extension, while Plaintiffs seek a stay pending Judge Torres' decision on objections (see Dkt. 996, 997).

Accordingly, and also due to complications caused by the current COVID-19 health emergency, the Court stays that part of the Order requiring the parties to meet and confer and propose a form of notice, pending Judge Torres' determination of any objections

lodged by the parties. Any deadlines that may apply under the arbitration clauses at issue are stayed commensurately.

SO ORDERED.
